

PERTH MODERN SCHOOL

Exceptional schooling. Exceptional students.

Dear parent/carer,

Perth Modern School uses various Online Third Party Services to support teaching, learning and administration. Providers of Online Third Party Services are external to the school, and sometimes hosted outside of Australia. These services may collect and use student information, sometimes requiring parental consent.

We're committed to protecting the safety and privacy of student's personal information. There are provisions in law we are bound by and we follow the Australian Privacy Principles in relation to Online Third Party Services.

The following Third Party Services are being used at Perth Modern School. The Department has completed security and privacy risk assessments on the services. Information about each service and details including terms of use, privacy policy, and how they use and share information is attached below.

Not all students will use every service listed as usage depends on their year level and subjects.

If you have questions or would like more information, please contact the school on 9392 6855 or email PerthModern@education.wa.edu.au

Yours sincerely

Mitchell Mackay
Principal
